Part-time Office Admin Role at Shore Grace

We are on the hunt for an administrator to join our team! Ruby is finishing at the end of the month. This role requires working 5 hours during the week, the day is negotiable. Our ideal candidate will be confident using technology as much of the role takes place through online systems. It also requires organisational skills beyond the computer. Commencement will ideally be from the beginning of December but this can also be negotiated. If you would like more information about this role, please talk to Pastor Mike.

Tithes and Offerings can be sent to: **SG Account 03-0285-0228008-00**
